CREMORNE

WORK CLOTHING TO FEEL COMFORTABLE IN ALL YEAR LONG

Thanks to the 60% cotton content, it is pleasant to wear, functional and has a comfortable cut which does not limit you throughout the day. We have developed Cremorne clothing for you in a light summer version as well as in a warm winter version. It also features smart details such as an elastic waist design, D-rings or practical tool pockets.

The Cremorne Collection is:

- » **pleasant to wear**, thanks to a comfortable “Relax” cut and the 60% cotton content.
- » **suitable for indoors as well as outdoors**, a lower weight for warmer days, a thermoinsulated collection for winter (tracksuits/hoodies can be easily changed to a bottom layer of pants/jacket),
- » **in five attractive colours** with contrast edgings.

We provide Cremorne clothing in a wide range of sizes – work clothing in sizes 46 – 64, accessory clothing in sizes S-4XL. You can extend the length of the trousers by up to 5 cm.

The collection includes:

- » Pants,
- » Bib pants,
- » Shorts,
- » Tracksuit,
- » Jackets,
- » Hoodies,
- » Winter thermoinsulated pants,
- » Extended winter jackets (parkas).
